

International Student Admission Criteria for Graduate Programs

Program	Program Type	Program Duration	Language	ALES	GRE/GMAT	CGPA	Explanation
Migration Studies Graduate Program	Thesis	Four semesters	TEDÜ-IYS: 70 YDS/e-YDS: 80 YÖKDİL: 80 TOEFL IBT: 79 PTE: 60	55 (numerical/equal weight)	GRE 149 (quantitative)	≥2,50	Graduates from a 4-year undergraduate program in social sciences, mainly from Sociology, Psychology, Anthropology, Political Science and International Relations, Business Management, Law, Statistics, Economics, and Education, may apply.
	Non-Thesis	Three Semesters		-	-	-	
Economics and Finance Graduate Program	Thesis	Four semesters	TEDÜ-IYS: 70 YDS/e-YDS: 80 YÖKDİL: 80 TOEFL IBT: 79 PTE: 60	70 (numerical)	GRE -151 (quantitative)		Applications by the graduates from engineering, mathematics, physics, statistics, economics, business management and the related programs are to be processed.
	Non-Thesis	Three Semesters		-	-	-	
Developmental Focused Clinical Child and Adolescent Psychology Graduate Program	Thesis	Four semesters	TEDÜ-IYS: 70 YDS/e-YDS: 80 YÖKDİL: 80 TOEFL IBT: 79 PTE: 60	70 (numerical)	GRE 151 verbal	≥2,80	Applications by the graduates of psychology programs only
			Candidates are required to speak Turkish at least in B2 level. (TÖMER)				
English Language Education Graduate Program	Tezli	Four semesters	TEDÜ-IYS: 85 YDS/e-YDS: 85 TOEFL IBT: 95	60 (verbal/equal weight)	GRE 634 / 151 GMAT 465	≥2,5	Graduates from English Language Education, English/American Language and Literature, Philology and Translation Studies Undergraduate Programs.
	Non-Thesis	Three Semesters		-	-	-	
Interactive Computing and Information Systems Graduate Program	Thesis	Four semesters	TEDÜ-IYS: 70 YDS/e-YDS: 80 YÖKDİL: 80 TOEFL IBT: 79 PTE: 60	55 (numerical)	GRE 155 (quantitative)	-	Applications by the research-focused graduates from Engineering and Life Sciences programs who wants to improve themselves in informatics/computer science are to be processed.
	Non-Thesis	Three Semesters		-	-	-	
Mechanical Engineering Graduate Program	Tezli	Four semesters	TEDÜ-IYS: 70 YDS/e-YDS: 80 YÖKDİL: 80 TOEFL IBT: 79 PTE: 60	70 (numerical)	GRE 155 (quantitative)		Applicants who have graduated from an undergraduate program in engineering will be accepted. Graduates from engineering programs other than mechanics may be required to take a number of scientific preparation courses based on their backgrounds to be determined by the department.
	Non-Thesis	Üç yarıyl		-	-	-	
Mechatronics Engineering Graduate Program	Thesis	Four semesters	TEDÜ-IYS: 70 YDS/e-YDS: 80 YÖKDİL: 80 TOEFL IBT: 79 PTE: 60	55 (numerical)	GRE 155 (quantitative)		Applicants who have graduated from Mechanical Engineering, Electrical-Electronics Engineering, Computer Engineering, Software Engineering, Mechatronic Engineering, Automotive Engineering, Manufacturing Engineering, Aerospace Engineering, etc. and applicants who have graduated from a graduate program in an engineering field will be accepted.
	Non-Thesis	Three Semesters		-	-	-	
Architecture and Urban Studies Graduate Program	Thesis	Four semesters	TEDÜ-IYS: 70 YDS/e-YDS: 80 YÖKDİL: 80 TOEFL IBT: 79 PTE: 60	55 (numerical)	GRE 151 (quantitative)		Applications by the graduates from all programs, mainly from Architecture, Urban and Regional Planning, Industrial Design are to be processed.
Engineering Management Graduate Program	Thesis	Four semesters	TEDÜ-IYS: 70 YDS/e-YDS: 80 YÖKDİL: 80 TOEFL IBT: 79 PTE: 60	70 (numerical)	GRE 155 (quantitative)	≥2,5	Applications by the graduates from engineering, mathematics, physics, statistics, economics, business management and the related programs are to be processed.
	Non-Thesis	Three Semesters		-	-	-	
Civil Engineering Graduate Program	Thesis	Four semesters	TEDÜ-IYS: 70 YDS/e-YDS: 70 YÖKDİL: 70 TOEFL IBT: 84 PTE: 71	65 (numerical)	GRE 152 (quantitative)	-	Applications by the graduates from Civil Engineering programs are mainly processed. However graduates from other fields of engineering who fulfill the requirements may also be evaluated and admitted provided that they take a scientific preparation program if deemed necessary.
	Non-Thesis	Three Semesters					
Applied Data Science Graduate Program	Thesis	Four semesters	TEDÜ-IYS: 70 YDS/e-YDS: 80 YÖKDİL: 80 TOEFL IBT: 79 PTE: 60	70 (numerical)	GRE 149 (quantitative)	-	Graduates from 4-year undergraduate programs only.
	Non-Thesis	Three Semesters					

• According to English Language School regulations, a language certification may not be requested from those who are citizens of native English-speaking countries. (This requirement and IELTS recognition must be resolved by the ELS.)

• Candidates with job experience of over 5 years in a relevant field may apply to a non-thesis program without ALES/GRE/GMAT score. In this case the ALES score is taken as minimum (50 or 70).
